The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Town of Randolph Public Safety Communication Technology Purchase in fiscal year 2027. The entity to receive funding for this project is the Town of Randolph, located at 41 South Main Street Randolph, MA 02368. The funding would be used to purchase updated internal communication technology for public safety personnel. The project is an appropriate use of taxpayer funds because it would support a dependable communication system to ensure the safety of officers and the community.

The project has a Federal nexus because the funding provided is for purposes authorized by the Byrne Justice Assistance Grants (JAG) program, section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ayanna Pressley
Member of Congress
