The Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for **The Dimock Center Project Access Providing Men with Access to CSS** in fiscal year 2022. The entity to receive funding for this project is The Dimock Center, Inc. d/b/a The Dimock Center, located at 55 Dimock Street, Roxbury, MA 02119. The funding would be used for renovating the Z building on the Dimock campus to accommodate the men's Clinical Stabilization Services program. This renovation project would provide approximately 300 men annually with vital step-down services after detoxification by creating new beds for patients in intensive treatment for substance use. Addiction counselors and recovery specialists will support the men in this program, connecting them with Dimock's health center to engage in Medication Assisted Treatment, primary care, behavioral health, and specialty services. The goal of this programming is to assist patients in sustaining recovery, obtaining jobs, reuniting with loved ones, and leading healthy lives.

I certify that neither I nor my immediate family has any financial interest in this project.

Thank you for your consideration of these requests.

Sincerely,

Ayanna Pressley
Member of Congress
