The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Climate Corps Program in fiscal year 2025. The entity to receive funding for this project is Eastie Farm, located at 6 Chelsea Terrace Boston, MA 02128. The funding would be used for the expansion of their Climate Corps earn-to-learn fellowship focused on training in coastal resiliency management and research. The project is an appropriate use of taxpayer funds because it connects young people to hands on experience in the green economy with a focus on coastal resiliency solutions.

The project has a Federal nexus because the funding provided is for purposes authorized by the Coastal Zone Management Act of 1972 (16 U.S.C. § 1451 et seq.).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ayanna Pressley
Member of Congress
