The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Everett Resilient Community Center Project in fiscal year 2025. The entity to receive funding for this project is the City of Everett, located at 484 Broadway Rm 25, Everett, MA, 02149. The funding would be used for rehabilitating a former high school building into a public Community Center. The project is an appropriate use of taxpayer funds because it repurposes an existing public facility to match the needs of community through a new Community Center.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ayanna Pressley
Member of Congress
