

Congress of the United States
House of Representatives
Washington, DC 20515

May 10th, 2024

The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the construction of transmission lines from Tri-Town Water Treatment Plant to Randolph water distribution system in fiscal year 2025. The entity to receive funding for this project is the Town of Randolph, located at 41 South Main Street, Randolph, MA 02368. The funding would be used for the construction of transmission lines from newly built Tri-Town Water Treatment Plant to the municipal water distribution system. The project is an appropriate use of taxpayer funds because this would connect critical drinking water infrastructure in the Town of Randolph.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ayanna Pressley
Member of Congress
