The Honorable Tom Cole
Chairman
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the replacement of the Town of Randolph's Water Standpipe in fiscal year 2025. The entity to receive funding for this project is the Town of Randolph, located at 41 South Main Street, Randolph, MA 02368. The funding would be used for the replacement of an aging water standpipe that provides drinking water to municipality. The project is an appropriate use of taxpayer funds because this replace critical drinking water infrastructure in the Town of Randolph.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ayanna Pressley
Member of Congress
