The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for The Randolph Police Department's Community Enhancement Partnership in fiscal year 2027. The entity to receive funding for this project is the Town of Randolph, located at 41 South Main Street Randolph, MA 02368. The funding would be used for a proactive strategy to address community needs and run critical programming that enhances community and officer safety, including events to build relationship and trust with community. The project is an appropriate use of taxpayer funds because it would help build trust through transparency and consistent communication, enable collaboration with residents and local organizations to identify and address root causes of community issues, create safe spaces for youth engagement, mentorship, and positive interactions with officers, and overall strengthen social cohesion and improving overall quality of life.

The project has a Federal nexus because the funding provided is for purposes authorized by the Byrne Justice Assistance Grants (JAG) program, section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ayanna Pressley  
Member of Congress
