The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Urban Health Hub Phase 1: New Healthcare Facility in Fiscal Year 2027. The entity to receive funding for this project is the Harvard Street Neighborhood Health Center, Inc., located at 632 Blue Hill Avenue Boston, MA 02121. The funding would be used for Phase 1 of a 2-phase Urban Health Hub which will integrate quality healthcare, affordable housing, economic development, and access to nature. Phase 1 includes construction of a new 49,000 sq. ft. state-of-the-art, integrated healthcare center to replace an aging facility and meet the needs of Boston's neighborhoods. The project is an appropriate use of taxpayer funds because it would significantly increase Harvard Street's current capacity, providing a wide range of medical services including primary care and specialty providers, medical imaging, laboratory, pharmacy, dental clinic, eye-clinic with eyewear store, as well as a community gathering space.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ayanna Pressley
Member of Congress
