The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for BECMA Sustainability Hub – First Floor Development Center Renovation in Fiscal Year 2027. The entity to receive funding for this project is the City of Boston, located at 1 City Hall Square Boston, MA 02201. The funding would be used for the renovation and modernization of the first-floor Development Center within the BECMA Sustainability Hub in Roxbury, Boston. The project is an appropriate use of taxpayer funds because it would create a fully accessible economic development facility supporting small business acceleration, procurement readiness training, and community convenings serving low- and moderate-income entrepreneurs across Boston.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ayanna Pressley
Member of Congress
