The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the City of Chelsea Fire Station Construction in Fiscal Year 2027. The entity to receive funding for this project is the City of Chelsea, located at 500 Broadway Chelsea, MA 02150. The funding would be used to support the construction of a new fire station to house the recently re-commissioned Engine Company 4. The project is an appropriate use of taxpayer funds because it would improve response times to residents and facilitate the future economic growth in the community as part of planned redevelopment investments.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ayanna Pressley
Member of Congress
