The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Mobile Primary Care Unit in Fiscal Year 2027. The entity to receive funding for this project is the Codman Square Health Center, located at 637 Washington Street Boston, MA 02124. The funding would be used for a mobile health van with providers, nurses, and community health workers to deliver preventive care, screenings, vaccinations, and care navigation in Dorchester, MA. The project is an appropriate use of taxpayer funds because it would be a cost-effective strategy to ensure Dorchester residents maintain access to primary and other health services.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ayanna Pressley
Member of Congress
