The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Alford Street Harborwalk Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Everett, located at 484 Broadway Everett, MA 02149. The funding would be used for the Alford Street Harborwalk, which is a regionally important ADA bicycle and pedestrian facility project in Everett, MA. The project is an appropriate use of taxpayer funds because it would meaningfully connect residents and visitors to mass transit, a 4-acre waterfront park, 24,000-seat stadium, and larger greenways network.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133 .

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ayanna Pressley
Member of Congress
