The Honorable Tom Cole

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Town of Randolph Salt Shed Replacement Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Randolph, located at 41 S Main Street Randolph, MA 02368. The funding would be used to replace its decaying, undersized salt shed with a new structure able to store 2,000+ tons of road salt. The project is an appropriate use of taxpayer funds because it would ensure reliable winter operations, improved safety, and cost-effective storm response.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Ayanna Pressley
Member of Congress
